Report of thorough examination of lifting equipment (LOLER 1998 regulation 10 and Schedule 1)

Report number

8(f) Date of this thorough examination

1. Employer for whom the examination was made: name and address

2. Address of the premises where the examination was made

3. Equipment: description, make, model and serial or ID number

3. Date of manufacture, where known

4. Date of the last thorough examination

5. Safe working load (or, where it depends on configuration, the SWL for the last configuration examined)

TYPE OF EXAMINATION AND RESULT (SCHEDULE 1, PARAGRAPHS 6 TO 8)

Check	Yes	No	N/A
6(a) This is the first thorough examination after installation, or after assembly at a new site or in a new location			
6(b) If so: the equipment has been installed correctly and would be safe to operate			
7(a)(i) Otherwise, it is a thorough examination within an interval of 6 months (regulation 9(3)(a)(i))			
7(a)(ii) Within an interval of 12 months (regulation 9(3)(a)(ii))			
7(a)(iii) In accordance with an examination scheme (regulation 9(3)(a)(iii))			
7(a)(iv) After exceptional circumstances (regulation 9(3)(a)(iv))			
7(b) If 7(a) applies: the lifting equipment would be safe to operate			
8(a) A part was found with a defect which is or could become a danger to persons (details in the table)			
8(e) The examination included testing (particulars below)			

DEFECTS (SCHEDULE 1, PARAGRAPH 8(A) TO (C))

8(a) Part with the defect	8(a) Description of the defect	A danger now, or could become one?	8(c)(i) If it could become a danger: the time by which it could	8(b), 8(c)(ii) Repair, renewal or alteration required

8(e) Where the examination included testing: particulars of any test

8(d) Latest date by which the next thorough examination must be carried out

9. Person making the report: name, address and qualifications

9. Self-employed, or the name and address of their employer

10. Person signing or authenticating the report on the author's behalf: name and address (if any)

Signature, or equally secure authentication (regulation 10(1)(b))

11. Date of the report

Paragraph numbers refer to Schedule 1 to the Lifting Operations and Lifting Equipment Regulations 1998 (SI 1998/2307), which sets the information this report must contain. The person making the examination must notify the employer forthwith of any defect which is or could become a danger to persons (regulation 10(1)(a)), and send a copy of the report to the relevant enforcing authority where a defect involves an existing or imminent risk of serious personal injury (regulation 10(1)(c)).
